

Papercraft Farm: Farmhouse

Part 1: half-timbered house with flower boxes

approx. 7 × 5 × 7 cm

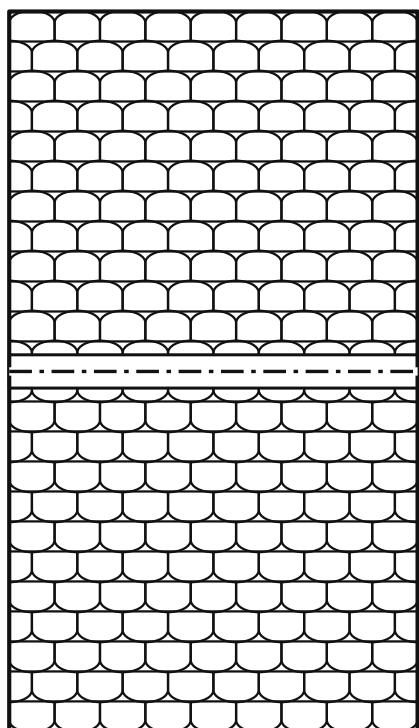

—— cut - - - - mountain fold: fold back - - - valley fold: fold towards you  glue

1. Cut out and pre-crease all fold lines.
2. Fold the walls up and back, glue the grey tabs inside onto the neighbouring wall and fold the gable tabs inwards.
3. Fold the tiled roof from page 2 in the middle and glue it onto the gable tabs. Put the vegetable garden next to the house as a ground plate.

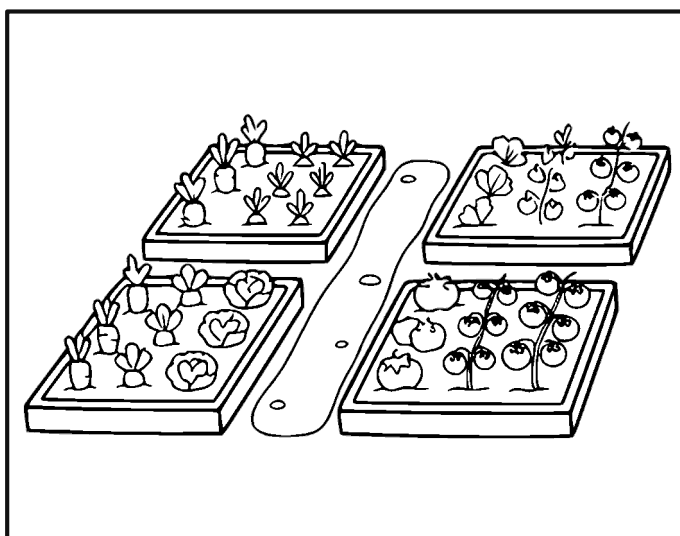

Papercraft Farm: Farmhouse

Part 2: tiled roof and vegetable garden

Tiled roof

Vegetable garden (ground plate)

— cut - · - · mountain fold: fold back - - - valley fold: fold towards you  glue

1. Cut out the roof, fold back along the middle line and glue it onto the gable tabs with the tiles facing out.
2. Cut out the vegetable garden – glued onto card it becomes sturdier.
