Craft Instructions

In this set: 4 masks. Tip: print at actual size (100 %) on cardstock.

Face Masks

What You Need: Printer + heavier paper or cardstock (65–110 lb); Colored pencils, markers or watercolor.

1. Print: Print the template at actual size (100 %, not “fit to page”) on thick paper.
2. Color: Color the mask any way you like – the big shapes are perfect for little hands.
3. Cut Out: Cut along the thick outer line.
4. Eye Holes: An adult cuts out the eye holes with a craft knife or pointed scissors.
5. Add Elastic: Punch holes at the two small circles, thread the elastic through and knot it – done!

Putting on the fairy tale play

- Acting it out: Four children play the animals, while others take the robbers and the narrator. That is enough for a little show.
- Robber house set: A table with a cloth becomes the cottage where the robbers sit.
- Making music: Each animal gets an instrument, like a shaker, drum or triangle.
- Drawing the story: After the play, kids draw their favorite scene.

Safety: eye holes, craft knives and hot glue are grown-up jobs. Don’t run or play rough while wearing a mask that limits your view – and never put elastic around the neck.
