New Year Folding Cards: How To

4 cards · to color

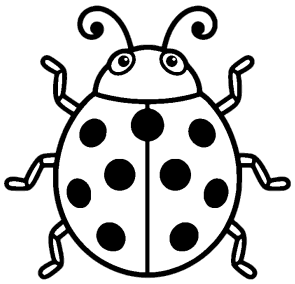

print at 100%

1. Print each card on its own sheet (one-sided, 100%).
2. Fold the sheet across the middle – the printed side faces out.
3. Fold it once more lengthwise so the picture is on the front.
4. Open it: inside there is space for your New Year greeting. Color the picture on the front.
