1. Cut out the cards and place them face down in a pile.
2. On your turn draw a card and act out the picture without words – only with hands, feet and face.
3. Whoever guesses first gets the card and acts out next.
4. Little ones may make sounds (Moo! Toot!). For older kids: use a timer or 1 minute.
5. Whoever has the most cards wins – or everyone together tries to finish the pile before midnight!
