Party Hats & Crowns

6 designs: 3 cone hats, 2 crowns, 1 mini top hat · to color

print at 100%

1. Print the pages at 100% – ideally on card stock (160 gsm).
2. Cone hat: cut out, roll into a cone and glue at the grey tab.
3. Poke a hole at both ○, thread an elastic through and knot it.
4. Crown: cut out both parts, join them at the tab and close it with an elastic through the two holes.
5. Decorate with glitter, stickers or yarn – ready for the New Year's party!

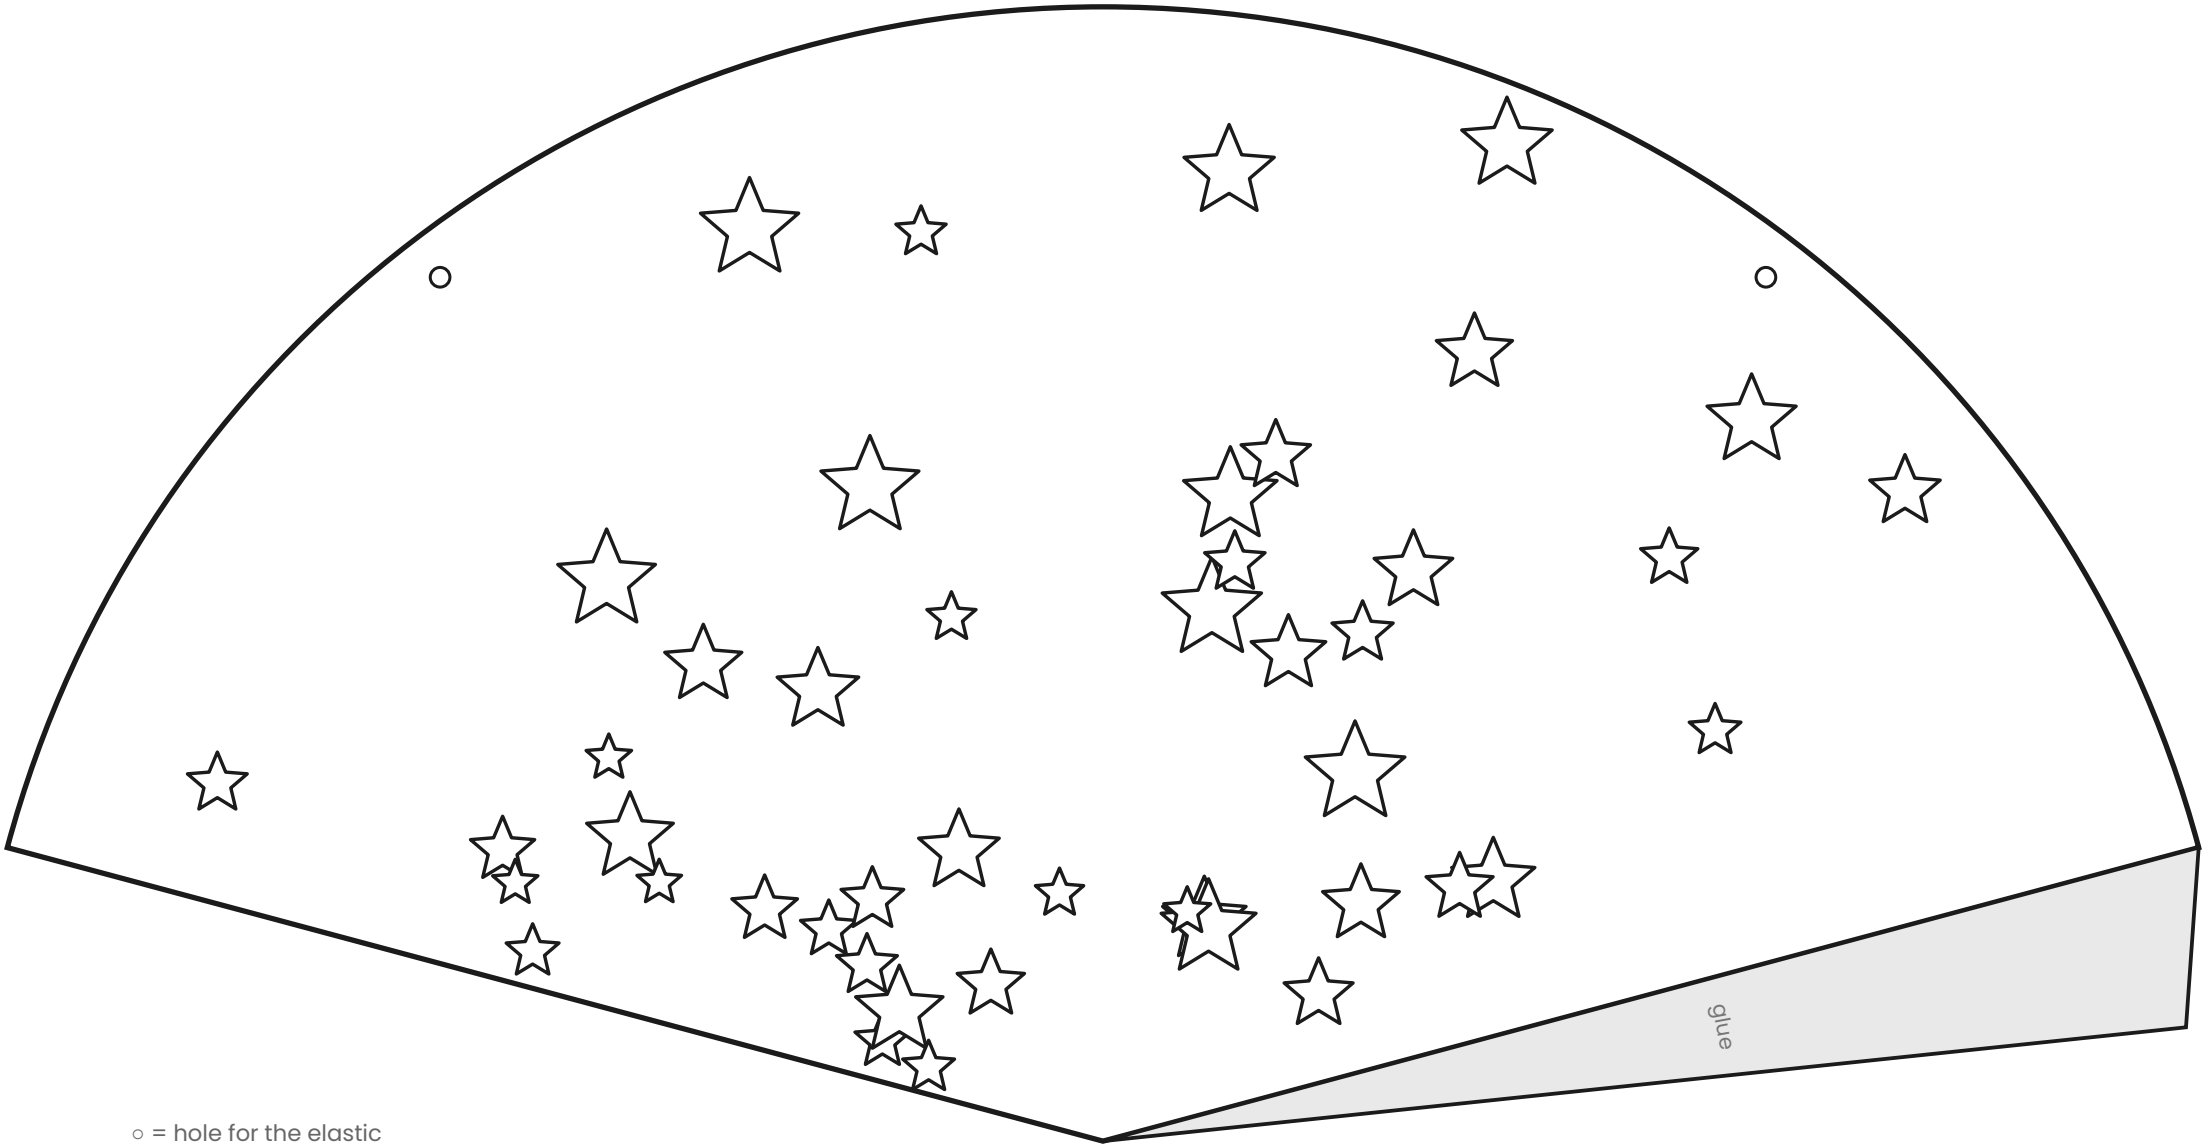

You need:

scissors, glue, elastic (about 40 cm), maybe tape, hole punch

Party Hat 1

Cone hat to cut out · to color

print at 100%

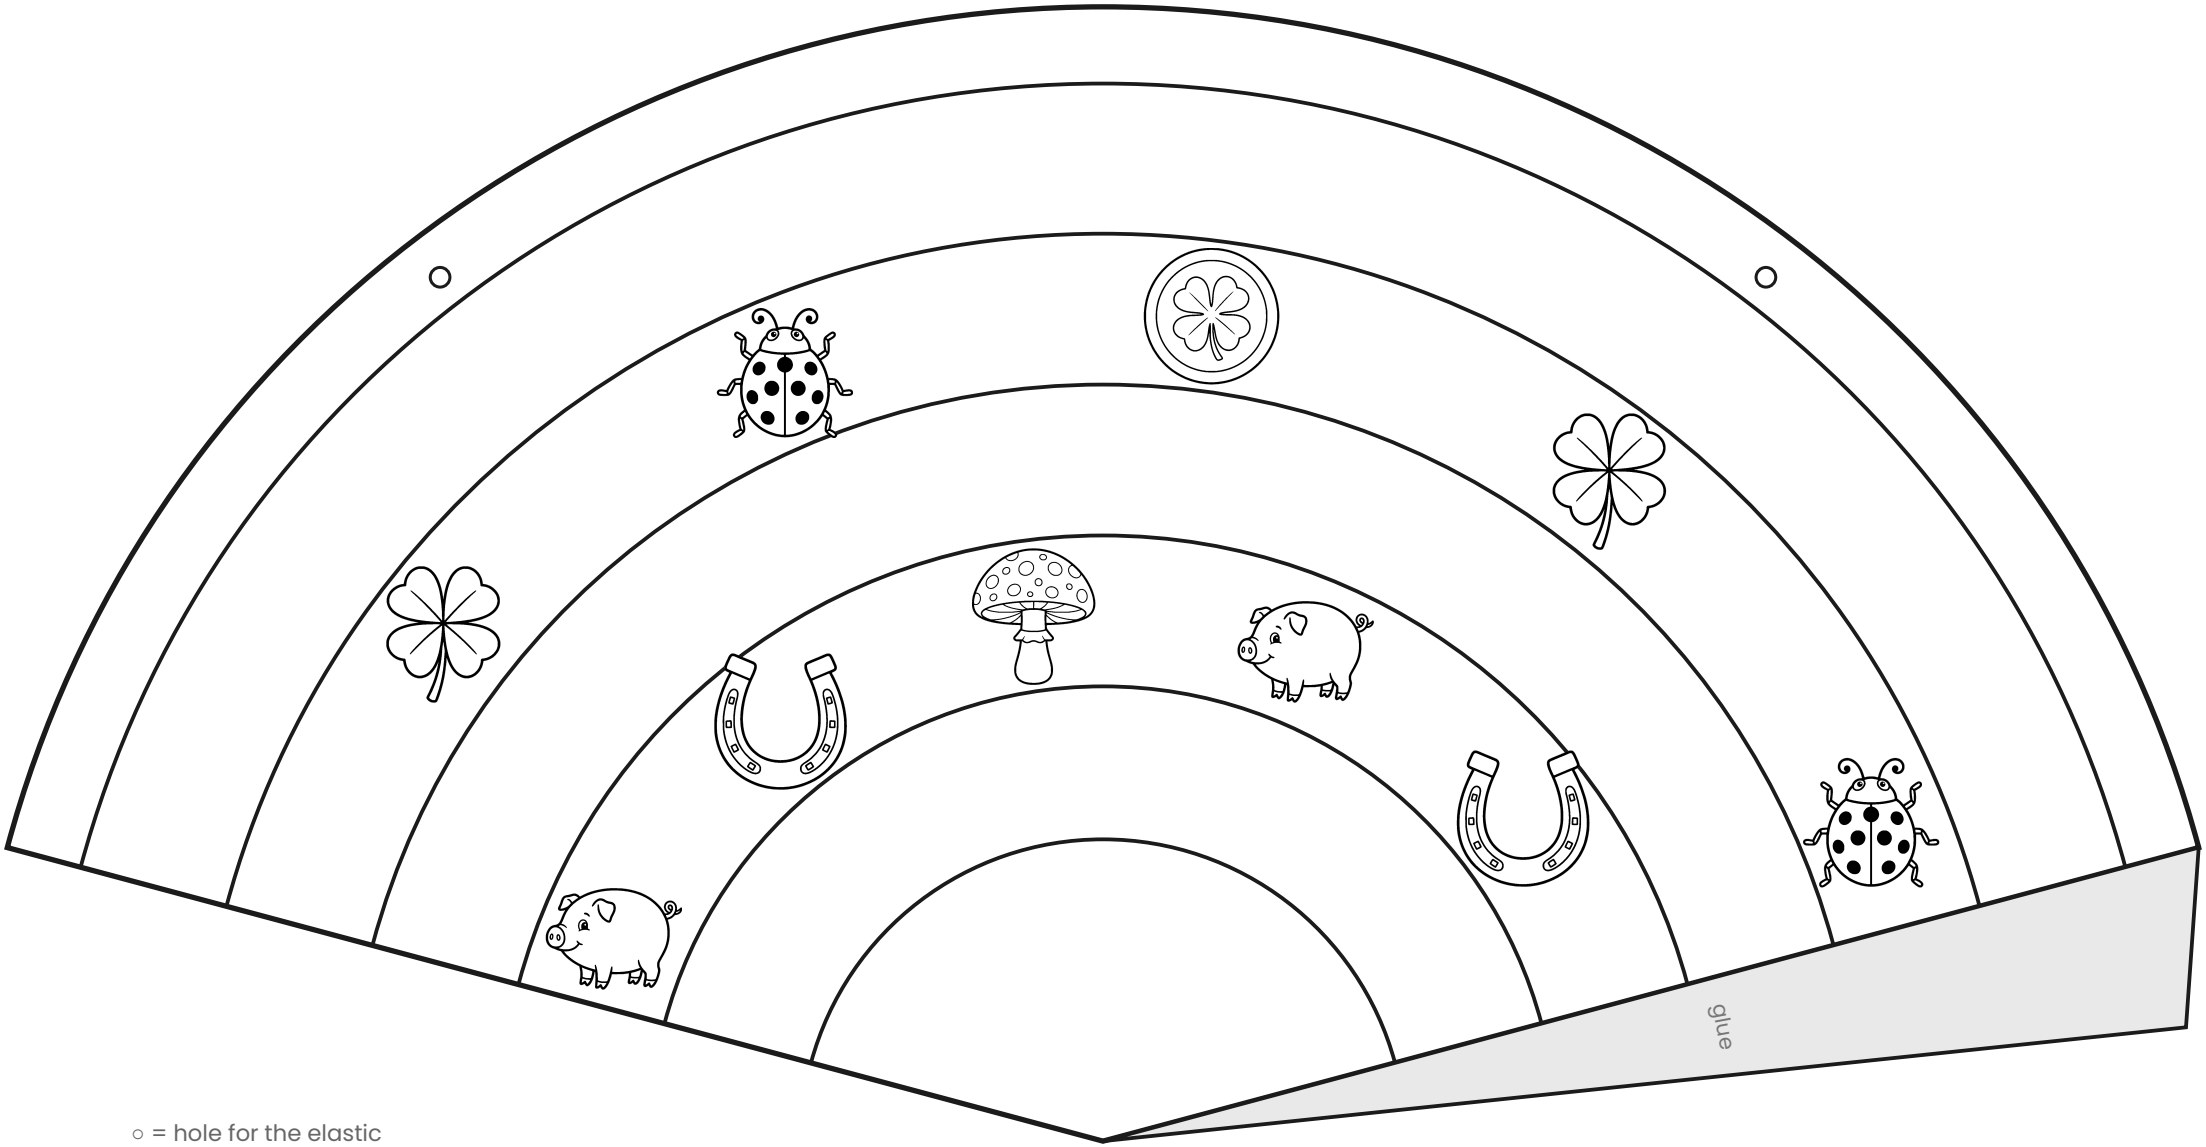

○ = hole for the elastic

Party Hat 2

Cone hat to cut out · to color

print at 100%

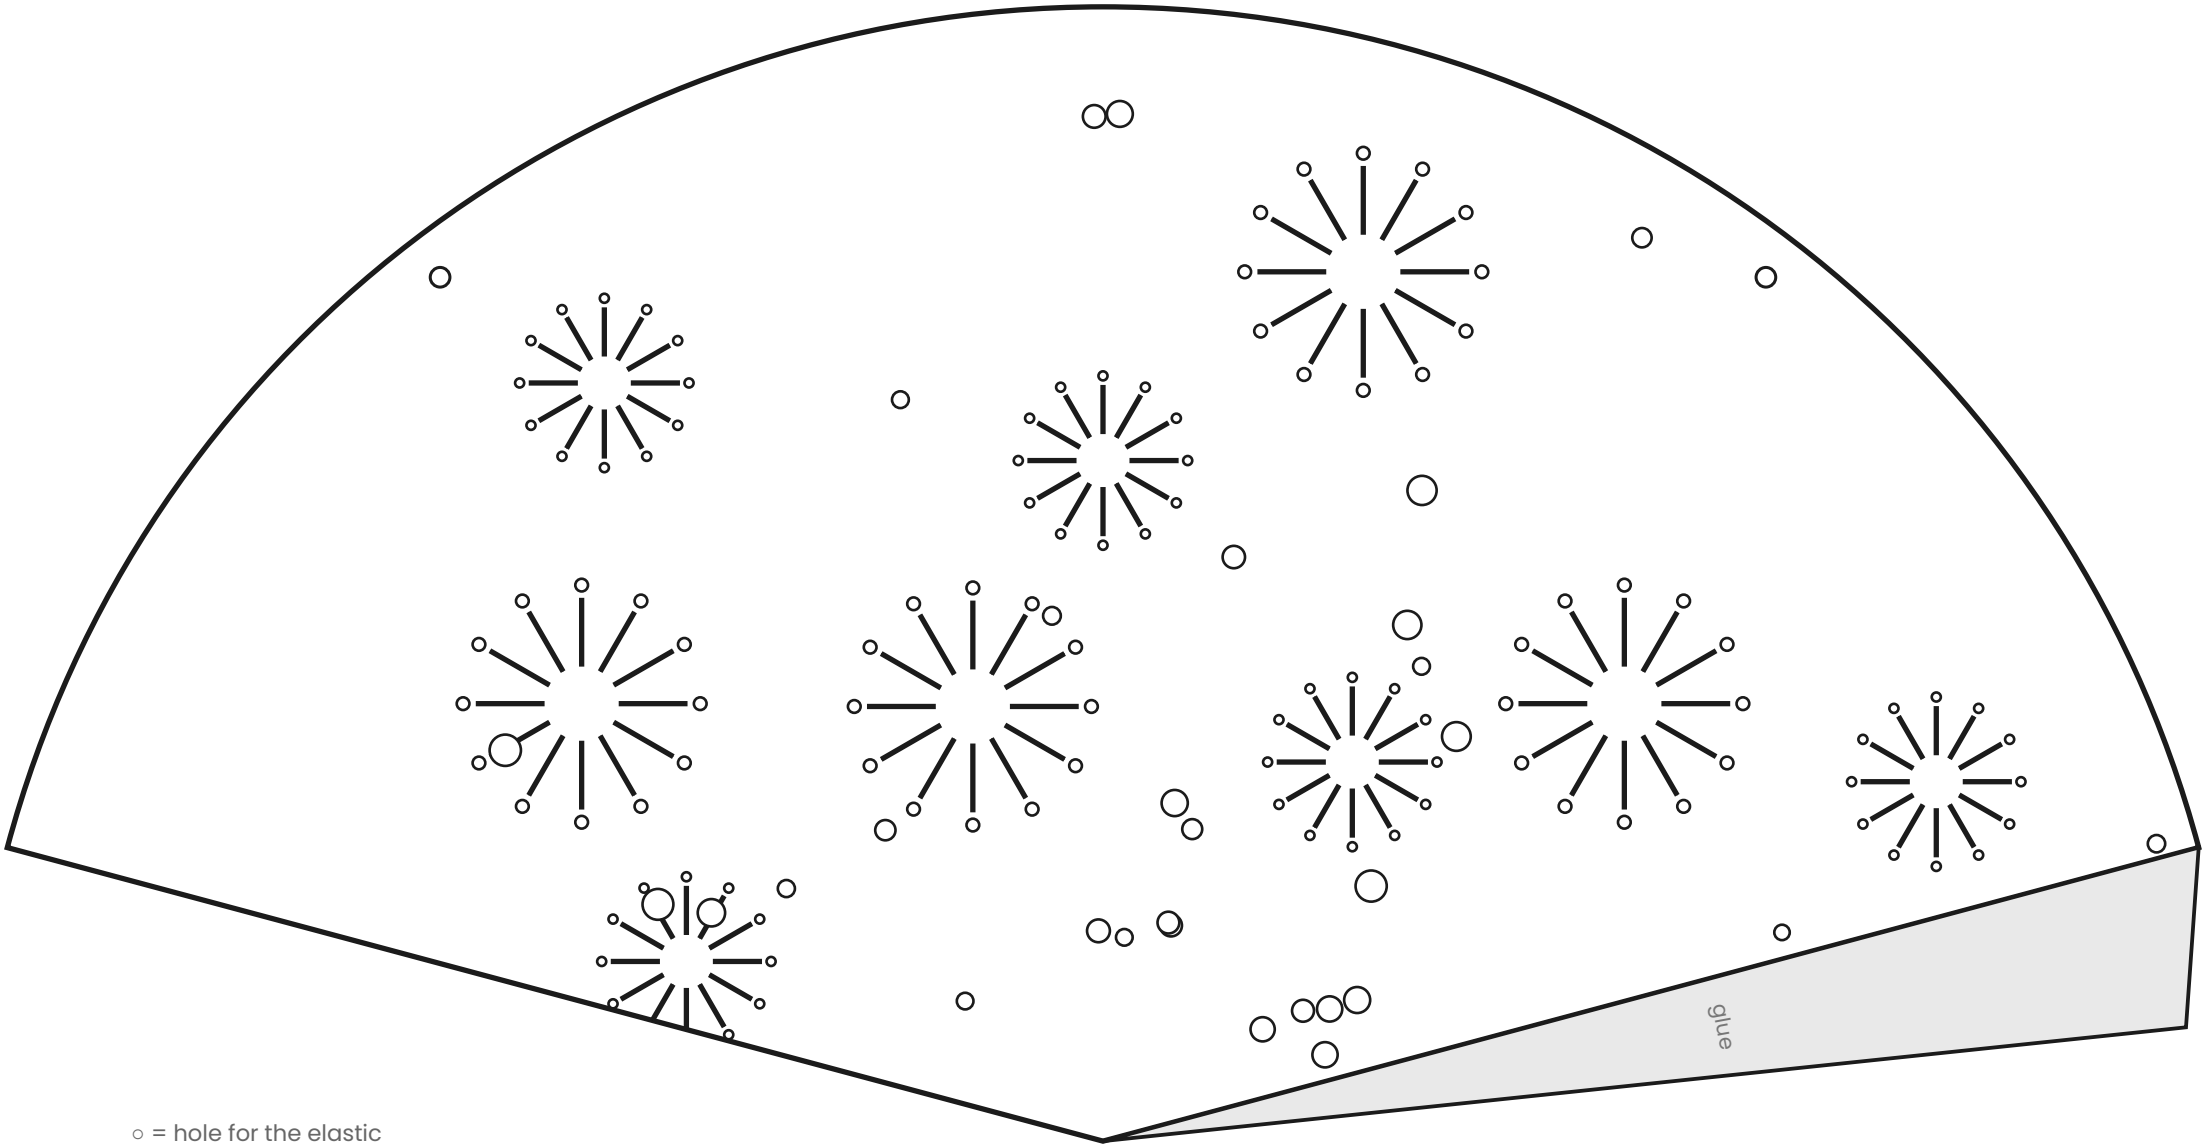

○ = hole for the elastic

Party Hat 3

Cone hat to cut out · to color

print at 100%

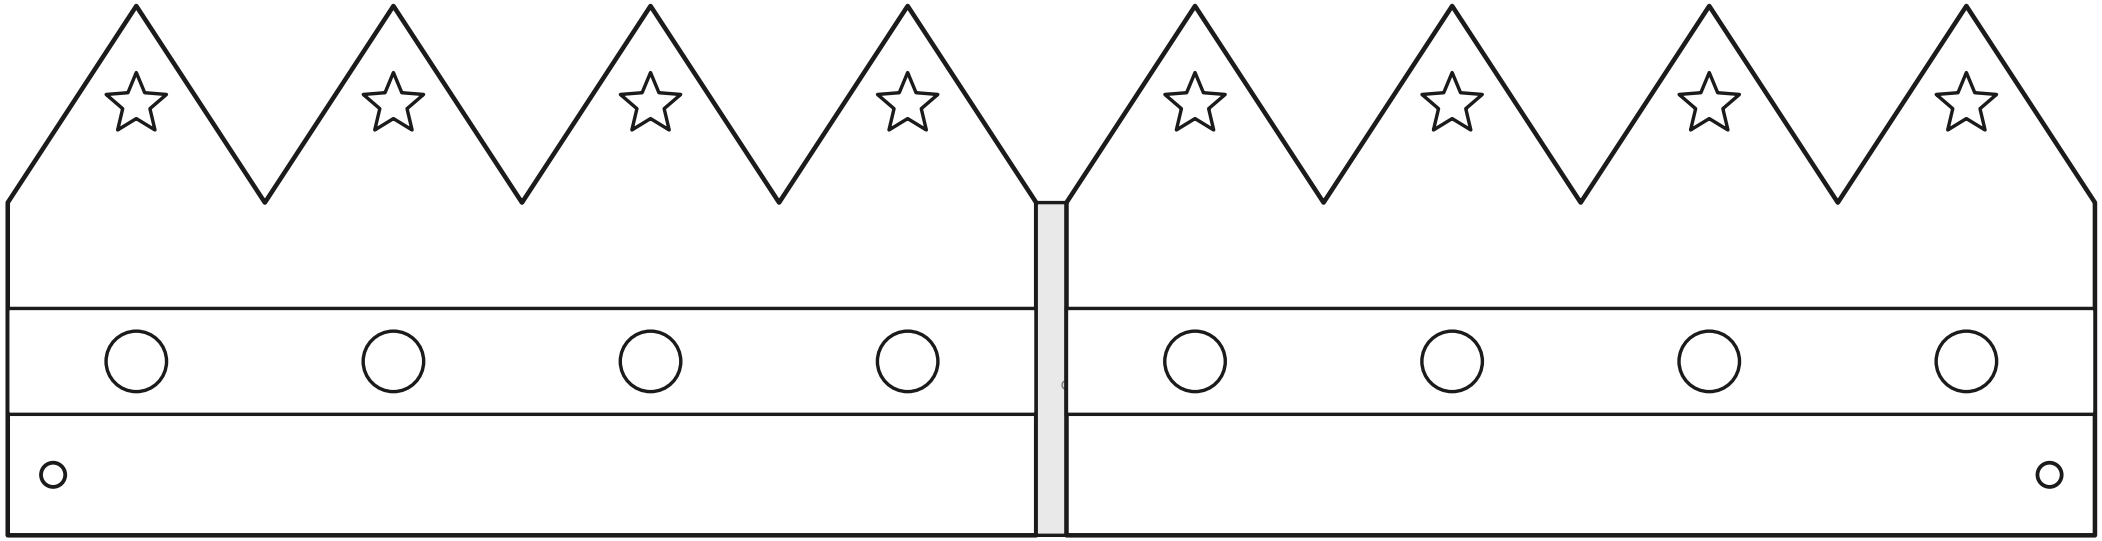

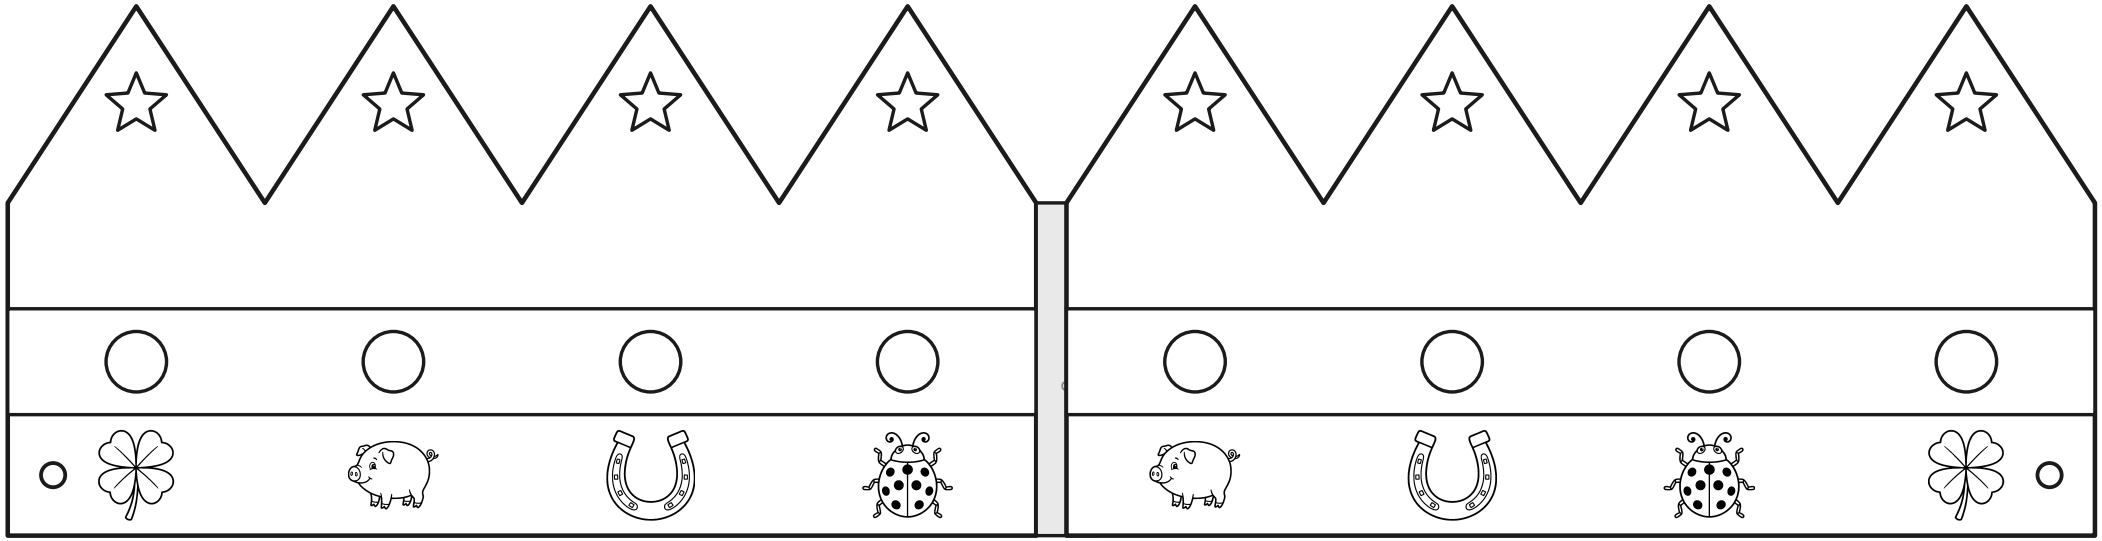

○ = hole for the elastic

Crowns (2)

Each crown: 2 parts + elastic · to color

print at 100%

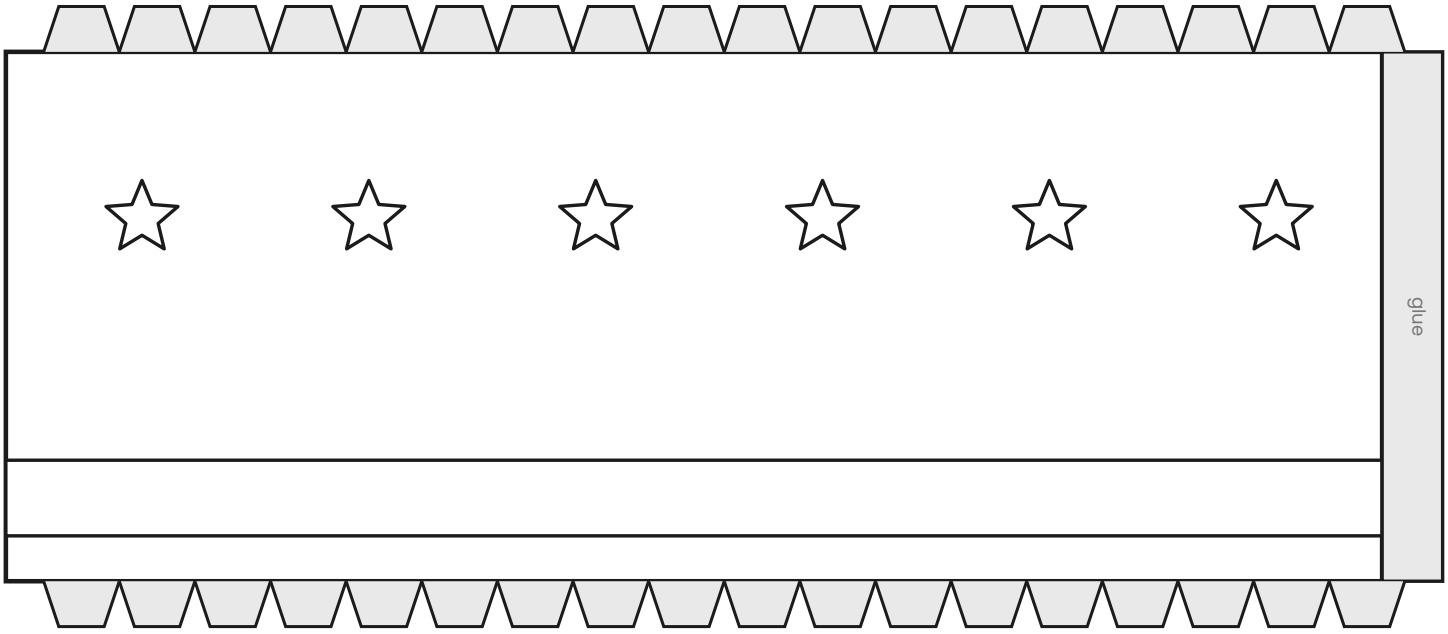

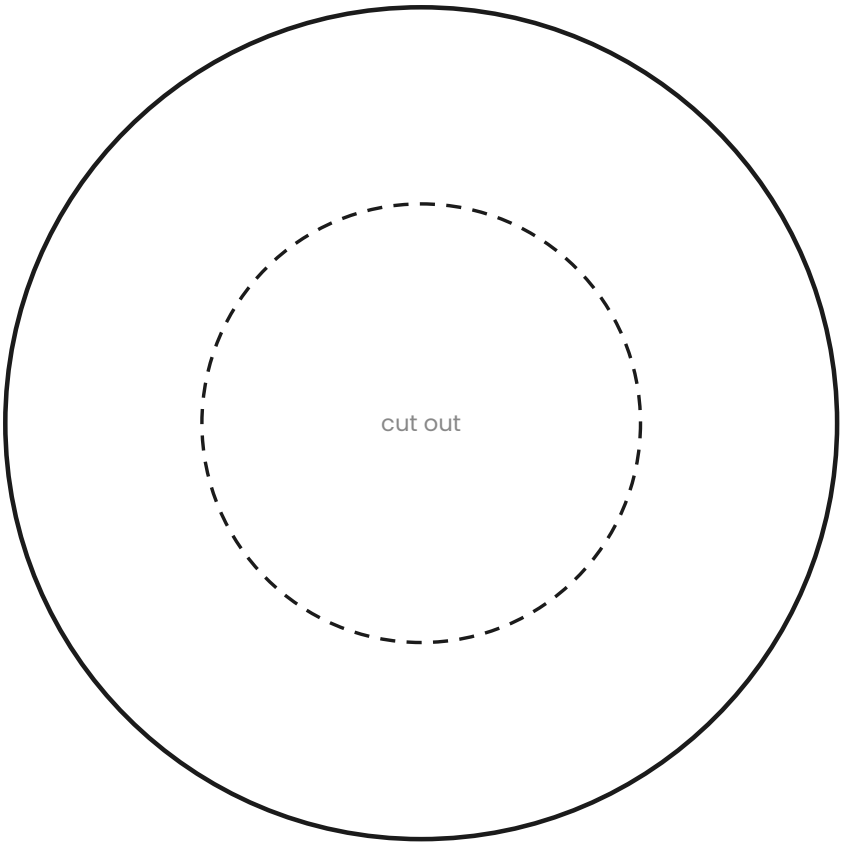

○ = hole: thread an elastic (about 10 in) through both holes and knot it – the crown fits every head.

Mini Top Hat

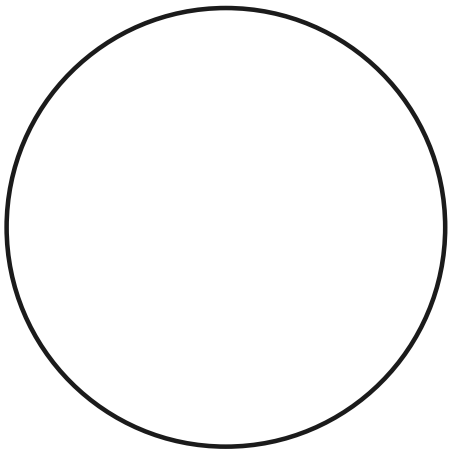

tube + brim + top · to color

print at 100%

Brim

Top

1. Cut out the tube, roll it up and glue it at the tab. Fold the top teeth inwards and the bottom teeth outwards.
2. Cut out the brim (including the inner circle), slide it over the tube and glue it onto the bottom teeth. Glue the top onto the inner top teeth.
3. Poke two holes into the brim and thread an elastic through.
